FYCS_44

The screenshot shows the GitHub interface for creating a new repository. At the top, there's a search bar and navigation links for 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. Below that, the main title is 'Create a new repository' with a sub-instruction: 'A repository contains all project files, including the revision history. Already have a project repository elsewhere? Import a repository.' A 'Repository template' section allows selecting a template repository. The 'Owner' field is set to 'Jayprabhakar' and the 'Repository name' field is 'IT PLATFORM TOOLS AND PRACTICAL'. A note says 'Great repository names are short and descriptive. Your new repository will be created as IT-PLATFORM-TOOLS-AND-PRACTICAL on GitHub.' The 'Description (optional)' field contains 'LEARN THEORY AND DOING PRACTICAL.' Under 'Visibility', 'Public' is selected, with a note: 'Anyone on the internet can see this repository. You choose who can commit.' The 'Private' option is also available. In the 'Initialize this repository with:' section, 'Add a README file' is checked, with a note: 'This is where you can write a long description for your project. Learn more.' Other options like 'Add .gitignore' and 'Choose a license' are present but unchecked. A note at the bottom says 'This will set `main` as the default branch. Change the default name in your settings.' At the bottom right, there's a note 'Activate Windows' with a link 'Go to Settings to activate Windows.' A large blue button at the bottom right says 'Create repository'.

UPLOAD YOUR PDF FILE OR TEXT FILE

The screenshot shows the GitHub repository page for 'Jayprbhakar / IT-PLATFORM-TOOLS-AND-PRACTICAL'. The repository is public. The main navigation tabs are 'Code', 'Issues', 'Pull requests', 'Actions', 'Projects', 'Wiki', 'Security', 'Insights', and 'Settings'. The 'Code' tab is active. On the left, there's a code editor showing a single file 'README.md' with the content 'IT-PLATFORM-TOOLS-AND-PRACTICAL' and 'LEARN THEORY AND DOING PRACTICAL.'. A blue arrow points from the 'Upload files' button in the code editor to the 'Upload files' button in the 'Code' dropdown menu above the editor. The right sidebar contains sections for 'About', 'Releases', and 'Packages'. The 'About' section includes the repository name, a description 'LEARN THEORY AND DOING PRACTICAL.', and stats: 'Readme', '0 stars', '1 watching', and '0 forks'. The 'Releases' section says 'No releases published' and 'Create a new release'. The 'Packages' section says 'No packages published' and 'Publish your first package'. A note at the bottom right says 'Activate Windows' with a link 'Go to Settings to activate Windows.' The footer includes links for 'Terms', 'Privacy', 'Security', 'Status', 'Docs', 'Contact GitHub', 'Pricing', 'API', 'Training', 'Blog', and 'About', along with the GitHub logo and copyright information '© 2022 GitHub, Inc.'
